SUGARLAND RUN HOMEOWNERS ASSOCIATION

The Sugarland Run Homeowners Association (SRHOA) is the master association of which every homeowner within Sugarland Run is a member. Each homeowner is a co-owner of the common elements and shares responsibility for their maintenance. Assessments are collected from each owner to maintain the common elements and support the administration of the Association.

The current SRHOA monthly assessment is \$55.76 and is due on the first of each month. Currently the Sugarland Run Homeowners Association (SRHOA) is managed from the on-site office by Sequoia Management Company. The on-site office is located at 200 Greenfield Court.

The **SRHOA Board of Directors** is responsible for maintaining the affairs of the corporation. These duties include the adopting rules and regulations governing the use of the Common Areas and facilities, hold Annual Meetings, to fix the monthly assessments, to approve a fiscally responsible budget and overseeing the general management of the association. Meetings are held on the first Wednesday of every month. All meetings are held at 7:30 p.m. in the Community Center, which is located at 200 Greenfield Court.

The **Community Activities Committee** (CAC) is responsible for the creation, planning and the hosting of all community activities within the community. These events include the Haunted House, Breakfast with Santa, Easter Egg Hunt, etc. In order to organize these events and the many more that the community could offer we need your help. We need volunteers to attend the monthly planning meetings bringing their ideas, creativity and enthusiasm. We need volunteers who have children that attend these events and those who just love to give time to their community to help host these events.

With the help of our residents this community could offer so much to its children. Please consider attending the monthly planning meetings the first Tuesday of each month at 7:30 p.m. at the SRHOA community center.

The **Architectural Review Committee** (ARC) is responsible for overseeing all architectural improvements made to the exterior of any property within the SRHOA and SRTHOA. The committee is also responsible for overseeing the compliance of the residents in maintaining their homes by having yearly inspections performed in the neighborhood. Applications for architectural improvements can be obtained in the monthly newsletter, at the SRHOA office or on the association website (srhoa.com). Meetings are held on the second Tuesday of each month at 7:00 p.m. at the SRHOA community center.

The Community Center is where the SRHOA office is located. The office is staffed Monday through Friday 8:30 AM to 5:30 PM.
